

## welcome to ttiger Mobile Disco

Tel. 01376 516991 - Mobile. 07773 485707

Welcome to the website of ttiger (Pronounced Tee Tiger) Mobile Disco providing disco entertainment in Witham Essex and the surrounding areas.

We provide entertainment for all types of functions, weddings, parties, aniversaries and special events.

The music we play is what you ask for. We have a wide selection from 30's to current hits. If you want a particular genre or selection, we will work with you to provide a good nights entertainment.

Our prices vary according to duration, location and equipment required for the event.

We also have a choice of lighting from flashing night club style to gentle pattern changing, or will do no lights at all if that is what you prefer.

We do not use strobes, smoke or other special effects like bubble machines unless specifically asked for.

What makes us different from the rest? when you book us, we do not just turn up on the day, play music and then go home. We discuss your requirements before hand. We ensure that we have as much detail of the event as possible for example timing of cutting a cake, availability of mics for speeches etc.

We also use state of the art modern equipment. We always supply a bi-amplified system which means that there are two amplifiers powering each channel for extra music clarity. We also use sound enhancers so that the music doesn't have to be loud to be heard and helps to prevent listening fatigue and that ringing in your ears that you get when the music is too loud.
